McDOWELL-CRAIG™
OFFICE FURNITURE

...because you've got work to do™

Dealing with multiple seating applications is now a snap with Trek office seating. An entire line spanning high-end tasking to stackable guest chairs make Trek a complete office seating solution.

Raising Standards

The Trek TC-460 raises the standards of value and comfort for contract task seating, period. Sit in one and you'll find out why its quickly becoming an office standard.

Quick Ship Program

- Product: TC-460 (*shown below*)
- Lead-time: 7 working days
- Available in 8 standard fabrics

TC-460 – self-adjusting task chair

Conference and training rooms often create a dilemma: getting comfortable chairs that will stand up to high traffic and integrate with the rest of the office while keeping costs in control. The Trek TC-170 swivel/tilt chair and TC-115 stacking chair do all of the above, and in style.

Quick Ship Program

- Product: TC-170 and TC-115 (*shown in pictorial*)
- Lead-time: 7 working days
- Available in 8 standard fabrics and 30 enamel colors

TC-110 – stacking chair

TC-115 – stacking chair with arms

TC-170 – swivel/tilt chair

Gentle curves and tapered legs give the TC-100 side chair a distinctive appearance along with uncommon comfort and support. The high, wide back and broad seat accommodate a large variety of users.

A Side Chair Solution

The TC-100 and TC-105 provide contoured comfort for conference rooms, collaborative spaces, and reception areas, as well as guest seating in workstations.

Quick Ship Program

- Product: TC-105 (*shown below*)
- Lead-time: 7 working days
- Available in 8 standard fabrics and 30 enamel colors
